CALIFORNIA CALWORKS & SUBSIDIZED CHILD CARE

CW5 Child Care Subsidies in California This publication provides a detailed examination of California's complex subsidized child care system. It provides information about Stages 1, 2 and 3 of CalWORKs child care, and various other subsidy programs administered by the California Department of Education. Although this manual is designed as a tool for legal advocates and contains extensive citation, it organizes and explains the law governing subsidies in a highly readable format. (September 2003) 115 pgs. <i>Downloadable free on our website or hard copy for purchase.</i>	\$25.00
---	----------------

ZONING AND LAND USE

ZL4 A Child Care Advocacy Guide to Land Use Principles This manual is intended to serve as a resource on the law surrounding land use in California, including both family child care homes and child care centers. It discusses how to ensure that the law is being followed when it is supportive of child care, and how the law can be changed when it is unfavorable to child care. 166 pgs.	\$40.00
